**Liability Release And Promise Not To Sue**

I understand there is some risk in having a garden in an open and public space, the use of both hand and garden tools, plus risks of losing personal property by theft or misplacement, and other expected and unexpected risks.

In joining the Gladstone Garden Association in Meldrum Bark Park, gardening and participating in its other activities, such as the required work parties, I assume the responsibility during the time spent for my own safety and well-being, and that of any minor children under my care, and for the protection of my own and their personal property.

I release the Gladstone Garden Association, its officers, directors, volunteers, contractors, and all other persons and its Landlord, the City of Gladstone, in all activities associated with the process of providing the property and access for gardening; liability or any sickness, injury or loss, I, or any minor children under my care, that may suffer during time spent in the gardens.

Finally, I agree to hold the Gladstone Garden Association and the City of Gladstone harmless from any liability it may incur as a result of any damage to any property I may cause. This release and promise is part of the consideration I give in order to participate in any gardening activities in the gardens at Meldrum Bar Park. I understand it affects my legal rights. I intend it to apply not only to me but to anyone who may have the right to make a claim on my behalf.

I have carefully read the Rules and Responsibilities and Member Obligations and agree to abide by these guidelines.

Signed,
