Member Obligations

Every gardener must participate for a minimum of four hours of work contributed for each assigned lot this season at a scheduled work party. Work is only credited if you participate in one of the scheduled sessions, or by special assignment by a Board Member. You must sign in and sign out at the sessions to receive credit. There is no credit given for working in your own garden during these sessions.

Not fulfilling this requirement means you will lose your garden(s) the following year. If you are not able, or have extenuating circumstances, the Board of Directors may allow gardeners to make a contribution to the garden's equipment fund of \$10 (per work hour owed). This will be on a case by case basis and only acceptable upon the approval of the Board of Directors and is due immediately.

Please bring gloves, and whatever tools you may have: hand tools, rakes, shovels, string trimmers, and mowers.
